Nevada Division of Environmental Protection Response to KM letter dated
April 8, 2004 regarding the proposed schedule of deliverables

Dear Ms. Crowley,

The Nevada Division of Environmental Protection (NDEP) has reviewed the above-referenced letter and approves the schedule as proposed. The NDEP expects that this schedule will be periodically updated as new information becomes available. For example, as the Data Quality Objectives document is completed KM may find it necessary to perform additional site characterization work. As a point of clarification, please note that the document to be submitted on June 15, 2004 is a site-related chemicals document per our discussion on April 1, 2004. A simple chemical list will not be sufficient for this submittal.

Should you have any questions or concerns, please do not hesitate to contact me at (702) 486-2870.

Sincerely,

Brian A. Rakvica, P.E.
