Nevada Division of Environmental Protection (NDEP) Response to:  
*TRX Letter RE: Milestones for the TRX Remediation Schedule*  
Dated: May 26, 2010

Dear Mr. Paque,

On March 26, 2010, NDEP issued a letter containing Milestone submittal deadlines for certain Deliverables. One of these Milestones was for the submittal of the Excavation Plan for RZ-B. NDEP has reviewed TRX's above-identified letter and approves the extension of the deadline for the Milestone for the submittal of the Excavation Plan for RZ-B as the granting of this extension will not delay the previously scheduled date of August 5, 2010 for the commencement of TRX site soils excavation activities. Alternatively, TRX may submit an Excavation Plan for a sub-area of RZ-D followed shortly by the RZ-B Excavation Plan, which may accelerate but will not delay the commencement of excavation activities. The new Milestone date for the submittal of the Excavation Plan for RZ-B or alternatively a sub-area of RZ-D is **June 10, 2010**.

Please contact the undersigned with any questions at [sharbour@ndep.nv.gov](mailto:sharbour@ndep.nv.gov) or (702) 486-2850 extension 240.

Sincerely,

Shannon Harbour, P.E.
