Re: **Tronox LLC (TRX)**  
**NDEP Facility ID #H-000539**  
Nevada Division of Environmental Protection (NDEP) Response to:  
*Spring 2010 Indoor Air Quality Sampling and Analysis Report, Tronox LLC, Henderson, Nevada*  
Dated: September 22, 2010

Dear Mr. Paque,

The NDEP has received and reviewed TRX's above-identified Deliverable and finds that the document is acceptable with the following comments noted for the Administrative Record:

1. Section 2.1, pages 3-5, TRX should indicate in which buildings the air conditioning was operational on the day of sampling. For example, Table 1 notates that window air conditioners were operational; however, there is no mention of air conditioning in Unit 3 Building.
2. Section 3.1.1, page 7, the stated range of the chloroform concentrations does not match Table 2. Please revise as necessary.
3. Tables 1 and 2, please include the sampling data in the titles of the Tables.

These comments should be addressed with errata as necessary and a response-to-comments (RTC) letter for the Administrative Record. TRX should submit the requested errata and RTC letter **by November 15, 2010**. Please contact the undersigned with any questions at [sharbour@ndep.nv.gov](mailto:sharbour@ndep.nv.gov) or 775-687-9332.

Sincerely,

Shannon Harbour, P.E.
