Nevada Division of Environmental Protection (NDEP) Response to:  
*Memorandum: Subsurface Demarcation of Residual Contaminated Soil, Tronox LLC, Henderson, Nevada*  
Dated: December 15, 2010

Dear Mr. Paque,

The NDEP has received and reviewed TRX's above-identified Deliverable and approves the use of the orange plastic construction fencing (as shown in Deliverable) for demarcation of contaminated soil left in place as a visible indicator for future excavation. NDEP notes that this and other demarcation methods will be discussed further in the revised environmental covenant document(s) that will be submitted at a later date to the NDEP for approval. TRX should note that this approval letter does not address the acceptability the environmental covenant areas listed in the referenced Deliverable.
