Response to Comments on Phase II Work Plan for AP-5 Solids Removal, Henderson Nevada, dated December 24, 2014

Dated: March 13, 2015

Dear Mr. Steinberg,

The NDEP has received and reviewed the Trust's above-identified Deliverables and finds that the documents are acceptable with the following comments noted for the Administrative Record:

1. The cost for this project is more than twelve million dollars. As it is unlikely to have a more accurate cost breakdown until final design phase has been completed, the NDEP requests an itemized cost breakdown after the final design is completed.

Please contact the undersigned with any questions at wdong@ndep.nv.gov or 702-486-2850 x252.

Sincerely,

Weiquan Dong, P.E.
