Re: **BMI Plant Sites, Common Areas Projects and other Industrial Sites, Henderson, Nevada**  
*NDEP Bureau Changes Personnel Changes and Requirements for Submittal of Deliverables to  
NDEP and Distribution of Deliverables to Other Companies*

Dear Messrs.:

All of the parties listed above shall be referred to as “the Companies” for the purposes of this letter, which is to notify the Companies that the NDEP has created a new Bureau of Industrial Site Cleanup (BISC) to oversee the investigation and remediation at the Companies Sites. This change is effective as of July 1, 2015. James (JD) Dotchin (undersigned) has been hired as the new Chief Environmental Programs for the BISC Bureau and Weiquan Dong has been hired as the new Professional Engineering Specialist for the NERT project. Michael Friend and Carlton Parker have also joined the new BISC Bureau and have retained their previous oversight responsibilities associated with the Companies. The NDEP will be working to recruit and fill vacant positions within the BISC Bureau in the near future and the Companies will be kept apprised of any impact to deliverables. Please see attachment C for the BISC organization chart for reference.

As a result of this change, Attachment A provides the general requirements for submittal of all Deliverable to the NDEP effective immediately. Attachment B provides appropriate methods for distributing Deliverables that are submitted to the NDEP as well as to the remainder of the Companies and their designees. The Companies are requested to provide all Deliverables submitted to the NDEP simultaneously to all other Companies per Attachment B to facilitate the efficient transfer and use of information. Please note that there are changes to this table since the last update. Please contact the Compliance Coordinator and copy the undersigned with any changes to a Company designee or contact information.

Please contact the undersigned with any questions at [jdotchin@ndep.nv.gov](mailto:jdotchin@ndep.nv.gov) or 702-486-2850 Ext 235.

Sincerely,

James (JD) Dotchin  
Chief Bureau of Industrial Site Clean-up  
NDEP-Las Vegas Office

### July 7, 2015 General Requirements for Deliverables Submitted to the NDEP

Described below are the Deliverable distribution requirements for all Deliverables submitted by the Companies to NDEP. Compliance with these procedures is mandatory and will facilitate timely and effective review by the NDEP and its contractors of all material provided to the NDEP. These requirements apply to all Deliverables and are separate from the Electronic Data Deliverable (EDD) requirements. The requirements specified below are effectively immediately will remain in place until modified by the NDEP.

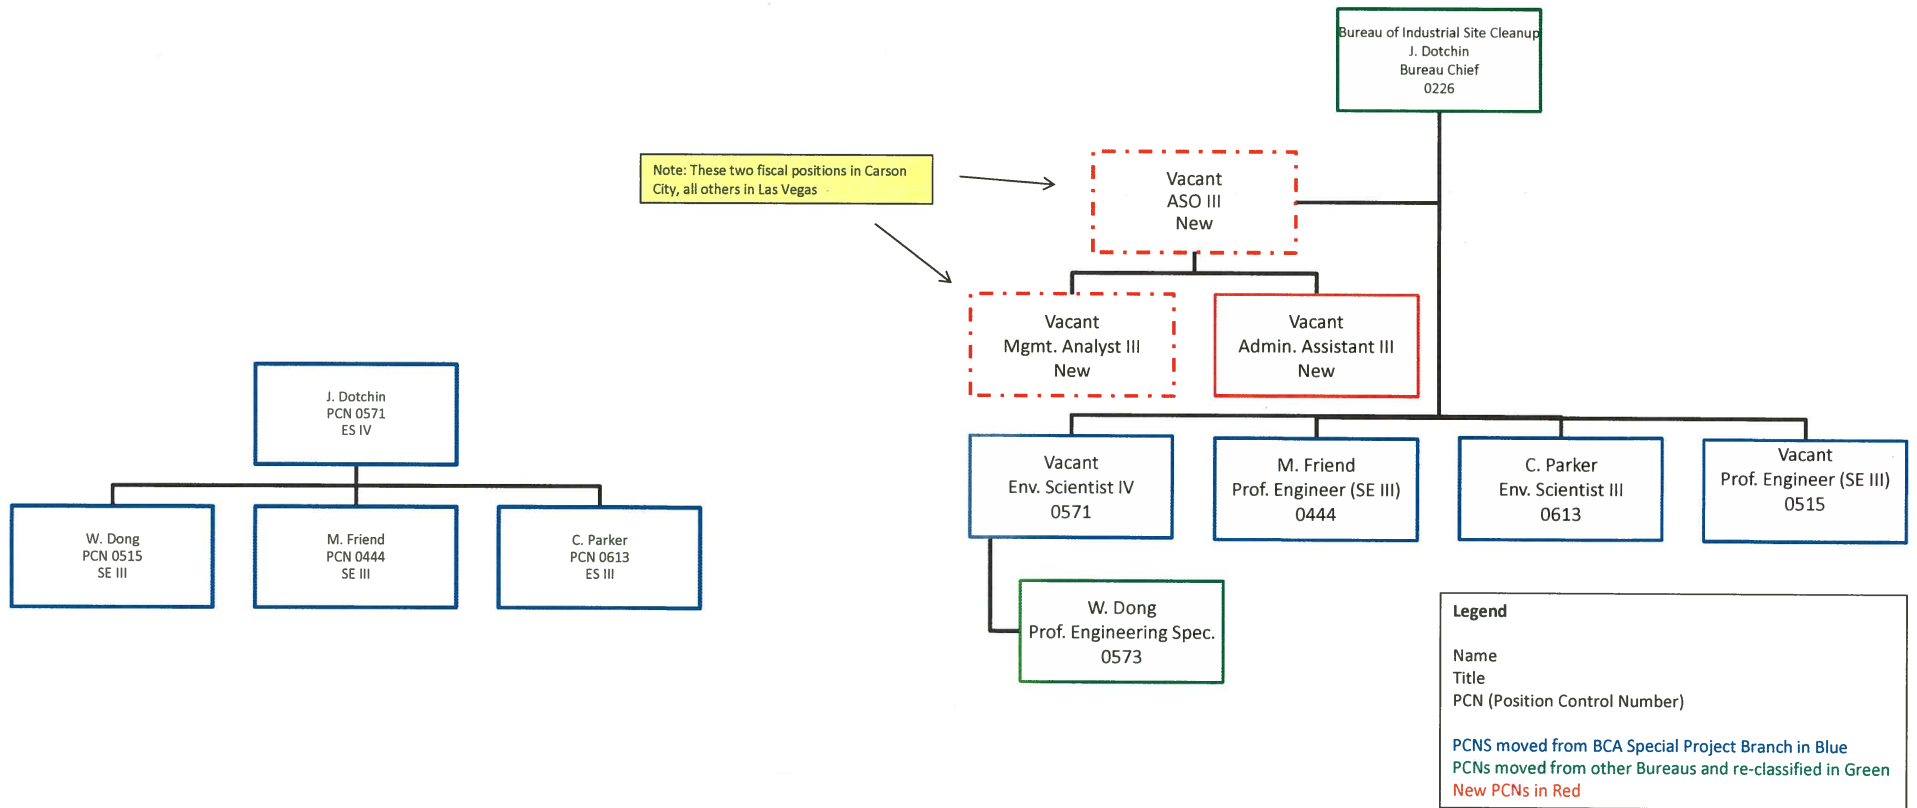

For file sizes less than 4 MB, electronic copies of Deliverables requested in Electronic Copy shall be transmitted as attachments via e-mail to the addresses below. For files sizes 4 MB or greater, a notification shall be sent to the e-mail addresses below and access to electronic files shall be provided via a web-based file exchange service. Alternately, a CD or DVD can be mailed to the parties listed below to satisfy the electronic copy requirements. All Companies should note that electronic submittals to NDEP and Broadbent & Associates Inc. should include live, executable files of the Deliverable to facilitate technical review.

Site	Deliverable Recipients		Format
