RE: GWETS Effluent Pipeline Flow Evaluation
Nevada Environmental Response Trust
Henderson, Nevada

Dear Mr. Dong:

The Nevada Environmental Response Trust (NERT) is pleased to present the GWETS Effluent Pipeline Flow Evaluation prepared for the Nevada Division of Environmental Protection's (NDEP) review. This document summarizes the findings of the effluent pipeline testing completed by Tetra Tech and includes recommendations for additional work focused on improving the discharge rate from the biological treatment system.

Upon receipt of comments and/or approval from NDEP, the NERT will proceed with the recommendations. Upon completion of the recommended activities, NERT will prepare and submit a budget for NDEP approval to implement any GWETS modifications necessary to improve the effluent discharge rate.

If you have any questions or concerns regarding this matter, feel to contact me at (702) 960-4309 or at steve.clough@nert-trust.com.
