RE: Site Management Plan, Revision 3
Nevada Environmental Response Trust
Henderson, Nevada

Dear Mr. Dong:

The Nevada Environmental Response Trust (NERT) is pleased to present the Site Management Plan, Revision 3 for Nevada Division of Environmental Protection (NDEP) review. This document is submitted as required by Section 3 of the Site Management Plan. This revision incorporates minor changes NERT believes will improve program efficiency and the incorporation of a new excavation control area, designated as C19, resulting from contamination discovered during construction of the storm water conveyance modification completed in 2016.

If you have any questions or concerns regarding this matter, feel to contact me at (702) 960-4309 or at steve.clough@nert-trust.com.
