Las Vegas NV 89119

RE: 2006 Upgradient DVSR and EDD Review
Nevada Environmental Response Trust
Henderson, Nevada

Dear Mr. Dong:

The Nevada Environmental Response Trust (NERT) is pleased to present the revised version of the 2006 ENSR AECOM Upgradient Dataset Data Validation Summary Report (DVSR), dated September 2006 (ENSR AECOM Document No. 04020-023152) for Nevada Division of Environmental Protection (NDEP) review. Revisions were made to address comments from Neptune on behalf of NDEP in the March 7, 2017 Memorandum from Neptune to NDEP. The revisions appear as text insertions and/or strike-out format to preserve the original text produced by ENSR AECOM and highlight recent document changes made by Ramboll Environ on behalf of NERT. Similarly, edits made to tables appear in red text. The associated Electronic Data Deliverable (EDD) revised by Neptune was also reviewed to confirm the EDD changes noted in the March 7, 2017 Memorandum were completed. A response was added to each comment in the March 7, 2017 Memorandum to document the text revisions and results of the EDD review. Following reaching concurrence on the content of the EDD and approval of the enclosed documents by NDEP, Ramboll Environ will upload the EDD to NERT's database and we understand Neptune will upload the EDD to the BMI database.

If you have any questions or concerns regarding this matter, feel to contact me at (702) 960-4309 or at steve.clough@nert-trust.com.

Office of the Nevada Environmental Response Trust
