Project Number: 110169

On April 21, 2011 you submitted a project notification in accordance with the provisions of Air Quality Regulation Section 13, which adopts by reference 40 CFR Part 61.145. DAQEM has reviewed the notification and considers it to be complete.

In the notification, you reported your company will be removing Pipe Wrap and Contaminated Soil of which 1000 linear feet and 23000 cubic feet are regulated asbestos containing materials at Tronox, 8000 West Lake Mead Parkway, Henderson NV, 89015. The project locations are indicated on the maps supplied by Las Vegas Paving. The projected start date is May 5, 2011 with a completion date of July 8, 2011. This is going to be a multiphase project. Greenway Industries is responsible to notify DAQEM when each phase is complete and prior to starting another phase.

If there are any changes to the start date, contact DAQEM immediately, prior to the actual start date. If any of the information on the notification form changes, send in a revised notification. All revised notifications must be mailed or hand delivered to our office. Every revised notification must have an original "wet" signature. Revised notifications that are faxed and emailed will not be accepted. Use the project number listed above for all modifications and whenever referring to this project.

If you have any questions, please contact me.
