RE: Phase 2 Remedial Investigation Modification No. 14  
Nevada Environmental Response Trust  
Henderson, Nevada

Dear Dr. Dong:

The Nevada Environmental Response Trust (NERT) is pleased to present the Phase 2 Remedial Investigation (RI) Modification No. 14 for Nevada Division of Environmental Protection (NDEP) review and approval. The purpose of this modification is to obtain NDEP's approval to modify the ongoing surface water sampling program to address changes to the Las Vegas Wash resulting from weir construction activities, add two sample locations to the ongoing program, and memorialize a field adjustment to one sample location based on access constraints. Data collected for the surface water sampling program will support the ongoing Remedial Investigation. As such, NERT directed Ramboll to prepare the attached scope of work. NERT believes that this information is necessary for the remedial alternatives evaluation of the Feasibility Study and design of the final remedy.

If you have any questions or concerns regarding this matter, feel to contact me at (702) 960-4309 or at [steve.clough@nert-trust.com](mailto:steve.clough@nert-trust.com).
