Re. **BMI Plant Sites and Common Areas Projects, Henderson, Nevada**  
*NDEP Personnel Changes*  
*Requirements for submittal of Deliverables to NDEP*  
*Distribution of Deliverables to other Companies*

Dear Sirs:

The parties listed above shall be referred to as "the Companies" for the purposes of this letter.

As you may be aware, NDEP staff assigned to the BMI Plant Sites and Common Areas Projects has recently changed. Overall supervision of the cases with the NDEP Bureau of Corrective Actions, Special Projects Branch, direct case oversight of the BMI Common and Exclusion Areas (H-000688), and TIMET (H-000537) have been transferred to the undersigned. Direct case oversight and primary points of contact for the Tronox Plant Site (H-000539) and Pioneer-Olin Plant Site which includes the Stauffer Management Company and Montrose Chemical Corporation of CA projects (H-000536 and H-000540) will remain assigned to Shannon Harbour and William Knight, respectively. For Facilities H-000688 and H-000537, this notification serves as the Companies' official notice of the NDEP Project Coordinator.

As a result of this change, Attachment A provides general requirements for submittal of all Deliverables to the NDEP effective immediately. Attachment B provides appropriate methods for distributing Deliverables that are submitted to the NDEP and to the remainder of the Companies listed above (and their designees). As previously discussed in several "All Companies" conference calls with the NDEP, the Companies are requested to provide all Deliverables submitted to the NDEP simultaneously to all other Companies to facilitate the efficient transfer and use of this information.

NDEP looks forward to continuing work with each of the Companies individually and collectively on these significant projects.

Please contact the undersigned with any questions at 775-687-9373 or [glovato@ndep.nv.gov](mailto:glovato@ndep.nv.gov).

Sincerely,

Greg Lovato, P.E.  
Supervisor, Remediation Branch  
Bureau of Corrective Actions
