Nevada Division of Environmental Protection (NDEP) Response to:
TRX Letter regarding Seep Access Issues with BMI
Dated: February 12, 2010

Dear Mr. Paque,

The NDEP and the Nevada Attorney Generals Office (AG) have received and reviewed the above-referenced letter and related correspondence. NDEP understands that, to date, TRX has not received a response to the letter from BMI. NDEP further understands that investigation and evaluation of groundwater capture at the Interceptor (On-Site) Well Field and the Athens (Galleria) Road Well Field is ongoing. The Groundwater Capture Evaluation Report is due to NDEP by December 3, 2010. At this time, NDEP will defer further action on the Seep access issues between TRX and BMI pending the results of the groundwater capture evaluation.

Please contact the undersigned with any questions at sharbour@ndep.nv.gov or (702) 486-2850 extension 240.

Sincerely,

Shannon Harbour, P.E.
