**Re: Tronox LLC (TRX) Facility
Nevada Environmental Response Trust (Trust) Property
NDEP Facility ID #H-000539**
Nevada Division of Environmental Protection (NDEP) Response to: *Data Validation
Summary Report and EDD for March 2015 Soil Gas Remedial Investigation Sampling,
Nevada Environmental Response Trust (NERT), Henderson, Nevada*

Dated: October 17, 2017

Dear Mr. Steinberg,

The NDEP has received and reviewed the Trust's above-identified Deliverable and finds that the document is acceptable with the following comments noted for the Administrative Record:

1. Please provide a supplement to address following two minor comments:
 - 1) Sections 2.0 (second sentence) and 4.4 (Completeness): Since the helium analysis was planned and the results validated, it seems appropriate to include the helium results in the total number of analytes.
 - 2) Table V and EDD: Fifty-two results were qualified "JC" or "JBC" by the laboratory. What is the definition of the laboratory's "C" qualifier?

Please contact the undersigned with any questions at wdong@ndep.nv.gov or 702-486-2850 x252.

Sincerely,

Weiquan Dong, P.E.
