RE: Baseline Health Risk Assessment for OU-2 Soil Gas and Groundwater, Revision 1
Nevada Environmental Response Trust
Henderson, Nevada

Dear Dr. Dong:

As you are aware, the Nevada Environmental Response Trust (NERT) has been finalizing the Baseline Health Risk Assessment for OU-2 Soil Gas and Groundwater, Revision 1 (the "Report") for submittal by July 31, 2023. On June 20, 2023, the NERT received the June 2023 update to the Basic Comparison Levels (BCLs) issued by the Nevada Division of Environmental Protection. After review of the changes to the BCLs included in the June update, the NERT requires an extension for submittal of the Report to incorporate the updated BCLs as the updates will require modifications to text, tables, and figures throughout various sections of the Report. Accordingly, NERT is requesting an extension for submittal of the Report until September 15, 2023.

If you have any questions or concerns regarding this matter, feel to contact me at (702) 960-4309 or at steve.clough@nert-trust.com.
