Requirements for Submittal of Deliverables to NDEP and Distribution of Deliverables to Other Companies

Dear Messrs.:

All of the parties listed above shall be referred to as “the Companies” for the purposes of this letter, which is to provide an update and reminder of the requirements for submittal of Deliverables to NDEP and distribution of Deliverables to other companies.

Attachment A provides the general requirements for submittal of all Deliverables to the NDEP effective immediately as some key personnel and contractors have changed. Attachment B provides appropriate methods for distributing Deliverables that are submitted to the NDEP as well as to the remainder of the Companies and their designees. The Companies are requested to provide all Deliverables submitted to the NDEP simultaneously to all other Companies per Attachment B to facilitate the efficient transfer and use of information. Please note that there are changes to this table since the last update. Notably, submittal of hard copies of deliverables are no longer required. Please contact the Compliance Coordinator and copy the undersigned with any changes to a Company designee or contact information. Changes have been made to both attachments since the last distribution.

Please contact the undersigned with any questions at alan.pineda@ndep.nv.gov or 702-668-3925.

Sincerely,

Alan Pineda, P.E.
