**Subject: Excavation Plan for Phase B Soil Remediation of RZ-B  
Tronox LLC, Henderson Nevada: NDEP Facility ID # 000539**

Dear Ms. Harbour:

Please find attached *Excavation Plan for Remediation Zone B (EP)* prepared by Northgate Environmental Management, Inc. on behalf of Tronox LLC (Tronox). This *Excavation Plan* is an addendum to the *Removal Action Work Plan (RAW)* that was issued on May 12, 2010 and approved by the Nevada Division of Environmental Protection (NDEP) on May 12, 2010.

The Remediation Zone EP cut-lines are based on Phase A, Phase B, and pre-confirmation sampling results, as well as conceptual site model (CSM) assessments. Given that step-out sampling is not yet complete and we have not discussed with NDEP our CSM assessment, we consider the excavation boundaries preliminary and subject to change. Tronox would like to meet with NDEP at your earliest convenience to discuss our approach to development of our excavation plans.

I hereby certify that I am responsible for the services described in this document and for the preparation of this document. The services described in this document have been provided in a manner consistent with the current standards of the profession and, to the best of my knowledge, comply with all applicable federal, state and local statutes, regulations and ordinances.

Please contact me at (702) 592-7727 if you have any comments or questions concerning this correspondence. Thank you.

Sincerely,

Susan M. Crowley, CEM 1428, exp 3-8-11

**Tronox. Adding value beyond the product.**
